

Personal data on social media

"Arguing that you don't care about the right to privacy because you have nothing to hide is no different than saying you don't care about freedom of speech because you have nothing to say."

-Edward Snowden

1. Discuss the following questions in groups (3-4 pupils)!

Create a poster with your results.

- Which apps and websites do you use regularly?
- Do your social media providers (e.g. Instagram) know your real name?
- With your social media profiles, can all people see your pictures or just your contacts?
- Why are you active on social media platforms?
- Have you ever read a privacy policy?

Are you interested in what data is collected from you?

- Have you ever googled yourself? If yes, did anything surprise you? Why?

2. What options do you have to protect your personal data? What can and do you want to do about it?

3. Tick: What data do you think Google has, Facebook, Instagram, etc. if you have an account!

Your Data	Yes	No
Your age		
your residence		
What links you click on		
Your likes and dislikes		
What filters are you looking at		
Are you using headphones?		
Number of steps per day		
state of charge of your battery		
Your visited websites		
your photos on your phone		
Bank account or credit card number		
your time zone		
your contacts in the address book		
duration of calls
